

				October 9 2022							October 16 2022							October 23 2022							FINAL DEADLINE
Task	Assigned To	Start	Finish	M	T	W	R	F	S	SU	M	T	W	R	F	S	SU	M	T	W	R	F	S	SU	
Project Organization																									
Team meeting to decide repo	Team	10/12/2022																							
Build a diagram	Team	10/12/2022																							
Developing software architecture	Team	10/12/2022																							
Setting up Google Drive	Maddie	10/12/2022	10/12/2022																						
Setting up Git repository	Maddie	10/12/2022	10/12/2022																						
Distributing tasks	Maddie	10/12/2022	10/12/2022																						
Documentation																									
SRS + SDS	Maddie	10/12/2022	10/19/2022																						
Timeline doc (this spreadsheet)	Maddie	10/12/2022	10/19/2022																						
Project plan	Maddie	10/12/2022	10/19/2022																						
requirements.txt file if we use python	Maddie	10/12/2022	10/19/2022																						
Team organization doc	Maddie	10/12/2022	10/19/2022																						
Data Management and Functionality of Repository																									
Discussing logic and functionality of repository	Team	10/12/2022	10/25/2022																						
Creating UI/UX designs	Catherine	10/12/2022	10/25/2022																						
Creating a database for information	BE Team	10/12/2022	10/25/2022																						
Find a dataset to build database for project	BE Team	10/12/2022	10/25/2022																						
Upload and Download functions	BE Team	10/12/2022	10/25/2022																						
Organizing TS metadata	BE Team	10/12/2022	10/25/2022																						
Organizing TS data	BE Team	10/12/2022	10/25/2022																						
Debugging																									
Connect FE and BE	Team	10/20/2022	10/29/2022																						
Debugging forecasting comparison results	Sam & Luyng	10/26/2022	10/29/2022																						
Debugging front end event listeners	Sam & Luyng	10/26/2022	10/29/2022																						
Debugging file type upload	Sam & Luyng	10/26/2022	10/29/2022																						
Debugging	Sam & Luyng	10/26/2022	10/29/2022																						
Fuck up our code (but on purpose)	Sam & Luyng	10/26/2022	10/29/2022																						
Output and preparing presentation																									
Create final presentation (canva template)	Maddie	10/27/2022	10/28/2022
